PROGRAMMES IN DECEMBER 17:

7/12: After lunch Dr. Vinodbhai Kapashi narrated "Padmavati Story". He gave a detailed historical account of her story and what was the controversy of the film for not to be released. While few members continued with our Sewa/Welfare project at Birchwood nursing Home from 2.00 - 4.00pm. They took Fruit to give out to the elderly, entertained them and gave a small present also.

14/12: After lunch Chandrakant Shah narrated his interesting journey to raise funds for charity with 13 members in 5 auto rickshaws with the help of projector and slides. It was very fascinating account of their journey by driving to several cities in India and facing the hardship. Again few members continued with our Sewa/Welfare project at Meera nursing Home from 2.00 - 4.00pm.

Comment from our Secretary on his first visit to the above care home:

Yesterday I had the fortune to go to a care home. The happiness on faces of residents was enough reward for us to continue with this wonderful idea. However this time we had it every week BUT in future I would suggest once a month or maybe once every two months.

21/12: After lunch we were fortunate to have St. Johns Greenhill Gospel Choir to sing Christmas carols. Doris Duesbury accompanied by her six members joined us after lunch to sing Christmas Carols. They sang many famous festive carols with members joining in the singing and dancing. Our President thanked them and all were presented with fresh fruit baskets from the Kendra as a token of appreciation.

Panama Cruise Report (Jayantbhai Doshi)

NVK organises short and long trips for members and the aim is to encourage people who are unable or unwilling to travel on their own. We aim to plan, help and support more members to do such trips.

Cruise is relaxing and enjoyable – no need to pack and unpack every day, no need to rush around but to do what you want when you want. Twenty two members and guests took part in the Panama Cruise. Panama Canal is an engineering marvel created over hundred years back, and is considered as the 8th wonder of the world. Watching the ship go through the canal and navigate through locks which help to surmount different levels of the terrain was fascinating.

Cruise means lots of food and lots of activities, entertainment and informative talks and sessions. But it also provides ways of taking care of health and enjoy some games. One can do what one likes at their pace without worrying that they will miss out on any sightseeing or trips.

But travelling in group means lot of talking and laughing and entertainment within the group. It also means forming friendships and companionship which would outlast the holiday.

Vote of Thanks:
