Everybody found Kalpnaben's talk very interesting, informative and inspiring. Kalpnaben spoke about her determination she faced, managed and how she dealt with breast cancer, diabetes and High blood pressure with a brave and positive approach. She shared her experiences with honesty and openness. It was a very interesting and educational talk appreciated by our members. Thanks to Kalpnaben for her time.

20/10: We had our Grand Diwali Dhamaka Programme. Members started coming around 10am wearing beautiful saris, colourful dresses and Kurtis. Those who came early helped in the decorations and arranging the items on the tables. The programme started with the music Group of Marina and party with eight members including the lady singer - Meera. Music started on the dot at 11.00 am with the Navkar Mantra sung in musically fast beat and everyone joined in reciting the melodious tune. After the auspicious start of the programme, the Group sang many old memorable songs. The Group continued to sing several oldies and unforgettable tunes from the "Bhuli Bishri Yadeein", which were highly applauded as members also started to sing with the Group's melodious tunes. Several requests from members for their favourite songs were sung to the delight, dancing and clapping by members. The joyous mood of all the members and guests with thunderous clapping all the time, encouraged the singers.

At 12.45pm there was a break from music and the President-Vinod Parekh and Secretary - Purnimaben Mehta made their announcements.

He welcomed all present to this year's Diwali Dhamaka programme which is the largest gathering of the year with many members' guests and hoped that everyone will have a splendid time today

He thanked all the EC members and Volunteers who came early and helped in arranging the Tables, snacks, decorations, etc. In such large events, team work plays a very important role. Also had good support from the staff of Sattavis Patidar.

He also mentioned that Jayantbhai Doshi who was the original founder member and instrumental in setting up the NVK had been our Secretary for last 15 years had now retired. Currently he is recovering in Hospital with knee operation. Our Best wishes to him for speedy recovery.

At 1.00 pm the lunch was served - first to the Musical Group, then disabled and finally table numbers were called upon by Dr Mahendra Vora so the people seating on those tables come to the serving tables where Food Servers and volunteers served them.
