Michchhami Dukhdam

To forget and to forgive.

There are times in life, when we do or say things, which cause pain to our loved ones.

So if we have ever done such a thing, by thoughts, words and actions knowingly or unknowingly, we are really sorry for all our mistakes and we beg your forgiveness from the bottom of our hearts. From Members of the committee and all volunteers.

PROGRAMS IN AUGUST 2017

3rd AUGUST: After lunch Antakshri was played.

9th August: From 11.00 am to 12.30 pm we had a talk by Specialist Kidney Nurse on Live Kidney Donation at the Seminar Room, where further medical information was given to those who had shown interest in kidney donation.

After lunch Janmashtami & Raksha Bandhan were jointly celebrated. A very eye catching and colourful decoration with lights was arranged by Nimaben Kakad on a special table to celebrate the birth of Krishna. Vinodbhai Kapashi gave a short history of Krishna's birth and the ladies made a

colourful entrance singing and dancing into the Hall and performing dandias. Then followed Krishna who made an entry on a made-up chariot (acted in colourful dress by Surubhai Kakad). Many thanks to the ladies who had helped Nimaben and also for all those who had brought lovely dry fruits, etc. for 'Prasad' which was distributed at lunch time. After lunch some ladies sang songs celebrating Janmasthmi and Raksha Bandhan and there was also dandia and raas. This was a wonderful programme organised by Jasuben.

14th-18th August: 46 Members went on Wales's trip. Everyone enjoyed the trip very much. Our hotel was facing the sea and the weather was very good. We had our first train ride on Ffestiniog Railway. It was a scenic 13 mile journey from the coast through the beautiful Snowdonia Mountain. One afternoon was spent on the beach. On our 4th day we went to see the Famous Electric Mountain. An amazing feat of engineering, a power station hidden inside a mountain, At Dinorwig Power Station (The Electric Mountain) water, gravity and man's ingenuity work together to produce electricity. We all had to wear hard hats on our Electric Mountain bus as we began the decent through the labyrinth of tunnels to the heart of Elidir Mountain where we saw secret sights of the power station. This is the largest man made cavern in Europe, 180 meters long, 25 meters wide and60 meters deep. Breakfast and Dinner were served at the hotel but lunches were provided on the day trips by our dedicated volunteers with tea as well. Thank you to everyone.

17th **AUGUST**: After lunch today we had a talk by **Dr. Balwant Jain.** (Former Chancellor of North Gujarat Hemchandraacharya University.) Balwantbhai gave an interesting talk on general family and other matters with quotes from some of the well-known past celebrities.

24th **AUGUST:** As it was Paryushan there was no program.

30th AUGUST: After lunch a talk by Dr. Vinodbhai Kapashi on **Jainism** and **'Paryushan Parva'** was given. He explained in detail about why we beg for forgiveness on the last day of Paryushan.
